A Note from the Producers...

King Richard and his loyal subjects welcome you once again to our permanent village. As you can see, we've expanded a great deal from last year by completing the large circle of booths and shops and labeling the additional grounds "New Market."

We'd also like to thank our fine friends and neighbors in Bristol Township for their continued support.

The King will keep you updated with his quarterly newsletter. Please sign the guest register located at the information window near the front gate.

Robert F. Rogers
General Manager

Information?

All citizens of the realm desiring information about King Richard's Faire, looking for lost friends and/or children, or seeking directions should consult the Informistress at the main entrance. The Informistress will gladly show you where to sign to receive King Richard's quarterly newsletter, how to purchase King Richard's T-shirts and provide contract and lease information for interested artists and craftsmen for next year's Faire. THE INFORMISTRESS KNOWS ALL.
